BRIDGE-IT - Communication between Adults-in-Mobility ('migrants') and Civil Servants: an Intercultural and Interdisciplinary Perspective

Grundtvig In-service training course - Reference number: IT-2012-788-002

Come and experience the innovative new course developed for trainers, educators and teachers working with adults-in-mobility or migrants and adults-in-contact-with-mobility. If you are a trainer of initial language courses, a trainer in integration courses, a trainer of public service staff or an adult teacher working with migrants a.s.o., you can come to share your experience with colleagues from around Europe and become a member of the integration team of BRIDGE-IT. The course addresses also those specialising in training for migrants and current or prospective employees from private or public organisations in contact with adults-in-mobility.

WHY BRIDGE-IT:

Adults who for diverse reasons move to another country have to deal with institutions and bureaucracy, which unavoidably becomes an important scenario of the daily communication exchange. Within this setting AMs 'adults-in-mobility' (e.g. migrants) and ACMs 'adults-in-contact-with-mobility' (e.g. public officers) are the fundamental players. On one hand, lack of understanding and empathy between the two of them often lead to serious misunderstanding that could jeopardise the present and future of adults-in-mobility. On the other hand, stressful work situations are created for adults-in-contact-with-mobility.

Our courses address civil servants and professional trainers who are specialised in education for migrants. Specifically the In-service courses aim to develop awareness and competencies in terms of knowledge, skills and attitude in the field of interpersonal communication in bureaucratic-institutional settings.

GRUNDTVIG GRANT:

As the course is listed in the Comenius/Grundtvig Catalogue - series IT-2012-788-002- you can apply for a Grundtvig training grant from the Lifelong Learning Agency in your country. The deadlines for grant applications can be obtained from the website of your National Agency. Usually the grant covers your travel costs, full board and lodging, and the course fees.
